Dear Citizens:

I am pleased to provide you with our 2012 Citizen's Guide to the City's Financial Health.

On October 1, 2011, the State of Michigan enacted new requirements for the City of Hancock to eligible to continue to receive State Shared Revenue Payments for the General Fund. This new initiative is now known as the Economic Vitality Incentive Program.

This Citizen's Guide will supplement our annual audit done each year by an Independent Certified Accounting firm, and sue recently audited financial statement for different fiscal years to present the information included in this guide.

Each fiscal years' full audit is available on the City's website, [www.cityofhancock.com](http://www.cityofhancock.com), and the State of Michigan Department of Treasury website as well at [www.michigan.gov/treasury](http://www.michigan.gov/treasury).

In addition, a summary of the current fiscal year budget is on the City website, and a complete copy of the current fiscal year City Budget is always available at City Hall. You can also request a copy of the full audit and a copy will provided to your.

If you have any questions on this Citizen's Guide, please let me know

Sincerely,

CITY OF HANCOCK
